2 cracks, what needed to be done to make sure
3 that we were covering all our bases and it
4 was very useful for her to be a vice
5 president. The Board, I recommended her for
6 vice president, the Board agreed to that.

7 Q How long had she been with, what's
8 the name of your company?

9 A What, Partel?

10 Q Yes, how long has she been with
11 Partel?

12 A From the first day.

13 Q I gather from this address that she
14 did not move here or did she move here?

15 A No, she did not move here.

16 MR. HUTTON: By here, you mean
17 where?

18 MR. BECHTEL: 2000 L Street.

19 MR. HUTTON: K Street.

20 BY MR. BECHTEL:

21 Q She did not move to Reading?

22 A No, she did not move to Reading,

1 okay.

2 Q Did Partel, during the period,
3 during the license period, have other matters
4 going on or was it, or was the work of the
5 Reading project basically the company's
6 business?

7 A No, it had other projects going on
8 during that period. I would, you know, it
9 was probably its primary business.

10 Q No, I understand.

11 A But it did have other projects.

12 Q Yes, it had been an operational
13 thing. I think it dates back to the mid-80s
14 or before the mid-80s.

15 A No, I think it's early '80s, I just
16 couldn't give you the exact date.

17 Q Yes, exactly.

18 A I want to say sometime around 1981,
19 sometime during that time period.

20 Q Good. You indicated that Judge
21 Rose and you on the plane talked about your
22 tower situation?

1 MR. HUTTON: Okay.

2 MR. BECHTEL: You're the one that's
3 been rattling those minutes all the time. I
4 said, you're the one that's been rattling the
5 minutes all the time.

6 MR. HUTTON: I have not done
7 anything improper with any minutes.

8 MR. BECHTEL: Now you've got my
9 partner in there spending two days taking
10 notes and you're editing his notes.

11 MR. HUTTON: That was per the
12 Judge's Order.

13 MR. BECHTEL: You could have
14 handled that in a much more civilized way,
15 much more civilized and courteous way. You
16 could have.

17 I'm not talking about the judge,
18 I'm talking about you.

19 MR. HUTTON: There's no point in
20 arguing over it.

21 MR. BECHTEL: This will be Parker
22 Exhibit 6.

was marked for identification.)

EXAMINATION BY COUNSEL FOR ACC CONTINUED

BY MR. BECHTEL:

Q On another exercise, I was looking for something and I found at page 3351 of the transcript a reference to Partel, Inc, being in business. This was a thing I had seen before and I just couldn't remember where it was.

This is on the date of January 1988, so this is further intelligence concerning what we were probing with.

A Yeah. If, I tried yesterday, if it's all right with you, we'll supplement the record and I will get you the date of incorporation from the Secretary of the State of when Partel came into existence because frankly, I just don't remember. It is what it is and I'll just call up and they'll give me a certificate of when it was incorporated and I'll send it to you.

1 Q That's no problem.

2 A

3 MR. BECHTEL: Exhibit 7, a trustee
4 proxy coupled with an interest.

5 (Parker Deposition Exhibit No. 7
6 was marked for identification.)

7 BY MR. BECHTEL:

8 Q I have two questions designed to
9 acquaint me with the efficacy of this proxy.

10 On the second page there is a
11 reference to the receipt of some wire
12 transfer of money as a condition to the
13 execution and delivery of the document and my
14 question is, did that occur?

15 A Yes.

16 Q The second question has to do on
17 the first page, second paragraph from the
18 bottom, the, as I'm reading this, and this is
19 not my field, but as I'm reading this, the
20 proxy continues until an indebtedness to
21 Partel, Inc, has been satisfied under a loan
22 agreement and stock pledge agreement bearing

CROSS-EXAMINATION

BY MR. GASTFREUND:

Q Good morning, Mr. Parker. Could you just repeat for me once again your full name.

A Michael L. Parker.

Q And your full residence address once again, please.

A 22720 S.E. 410th Street, Enumclaw, that's E-N-U-M-C-L-A-W, Washington.

Q I just want to make sure I'm dealing with the right person. Your middle name is Leigh; is that correct?

A L-E-I-G-H, that is correct.

Q Okay. You were in attendance at the hearing sessions in these proceedings last March; were you not? You were in this hearing room; were you not?

A Yes, I was.

Q And isn't it true that you, when asked for your name, at that time, you provided a name other than Michael Parker?

MR. ROOT: Objection, Your Honor, relevance.

MR. GASTFREUND: I'd like to know, Your Honor, basically --

JUDGE LUTON: What do you mean asked for? Did he testify? When was he asked for his name, on the stand?

MR. GASTFREUND: No, Your Honor. No, but I'm

1 trying to find out if we're dealing with the same person,
2 frankly.

3 JUDGE LUTON: Well, I'm not going to try
4 matters outside of the hearing. I don't know what you mean
5 when you say, when you were asked for your name, you
6 provided -- you're trying something that is out there, not
7 in here, and it didn't occur here. Sustained.

8 MR. GASTFREUND: Well, I just wanted --

9 JUDGE LUTON: Sustained.

10 MR. GASTFREUND: -- to be sure that we're --

11 JUDGE LUTON: Sustained.

12 MR. GASTFREUND: -- dealing with the same
13 Michael Parker. Very well, Your Honor.

14 BY MR. GASTFREUND:

15 Q Mr. Parker, what's your background as a
16 consultant -- let me rephrase that.

17 How many years have you been a consultant in
18 the television industry?

19 A Let's see. I started in the television
20 business --

21 Q As a consultant.

22 A As a consultant. I suppose that depends on
23 your definition.

24 Q Consulting other people in connection with
25 preparation and prosecution of applications for television

1 stations.

2 A Well, when I started, I had an ownership
3 interest. If you count that, about seven years.

4 Q I see. You testified earlier in your -- I guess
5 it was yesterday, that Ms. Shaw was one of your first
6 independent clients. Do you recall that testimony?

7 A I do.

8 Q What do you mean by independent?

9 A I had no ownership interest or involvement
10 other than as a direct consulting basis.

11 Q Was Ms. Shaw, in fact, your such independent
12 consultant client?

13 A No.

14 Q And I believe you testified that -- I don't want
15 to characterize it.

16 It's true, isn't it, that Mr. Root referred
17 Ms. Shaw to you?

18 A Yes.

19 Q Did you ever have occasion to speak with her
20 prior to the time that Mr. Root referred her to you?

21 A No.

22 Q Have you ever had any conversations about
23 Channel 54 in Avalon with parties other than Mr. Root,
24 Ms. Shaw and equipment suppliers that are referenced in
25 your testimony and members at Partel, Inc.?

MR. ROOT: Objection, relevance.

JUDGE LUTON: Ask the question again.

BY MR. GASTFREUND:

Q Other than the discussions you may have had with respect to the Channel 54 application of Ms. Shaw with members of your staff, and other than discussions that you may have had with Mr. Root and Ms. Shaw, have you discussed it with anyone else, the application of Ms. Shaw?

JUDGE LUTON: Overruled. Please answer.

THE WITNESS: As I testified earlier, with a number of Ms. Shaw's advisors, financial advisors, with regard to her stamps, stamp people, any number of people in that process.

BY MR. GASTFREUND:

Q Could you enumerate who those people were?

A Mr. Masry, who's here, her accountant.

Q That's Mr. Crane?

A That's correct.

Q Gary Crane?

A The people with the stamp company, both Wilshire Stamp Company and Mr. Kenadi.

Q Let me stop you for a second. When you say the people from the Wilshire Stamp Company, could you specifically enumerate who you're talking about?

A I believe Mr. Weyna. He was the president of

1 Wilshire Stamp Company. I remember that.

2 Q Who else?

3 A The equipment suppliers, Mr. Joe Shackelford.

4 I attended a meeting with the county -- I don't recall the
5 gentleman's name -- with regard to Black Jack that Ms. Shaw
6 was in attendance at. I attended a party that Ms. Shaw was
7 at where there were probably 50 or 60 of her friends, and
8 she introduced me to all of the people and was talking about
9 her television station.

10 Q Who is Mr. Kenadi that you've referenced?

11 A Mr. Peter Kenadi -- I believe it was Peter
12 Kenadi -- was a stamp -- he was in the business of buying
13 and selling stamps. I'm not sure what you call that
14 position, but had been in it for a number of years and was
15 the individual I remember that Ms. Shaw met Mr. Weyna
16 through.

17 Q Do you have any knowledge as to whether
18 Mr. Kenadi is employed by or works with Wilshire Stamp
19 Company?

20 A No. The knowledge I have is the president of
21 Wilshire Stamp Company used to work for Mr. Kenadi, and
22 Mr. Kenadi was a much larger -- had a much larger company.

23 Q Do you know who Mr. Kenadi works for?

24 A I believe he worked for Mr. Kenadi. I under-
25 stand Mr. Kenadi is now deceased.

NATIONWIDE 1-800-255-5040

CORBY GROUP NJ 1-800-822-0190

1 Q Do you know the company that he had worked for?

2 A His own. I believe I have a catalog of that
3 company at Mr. Root's office that I can get you the answer
4 to that today.

5 Q Now, in your discussions with Mr. Weyna, who
6 introduced you to Mr. Weyna?

7 A Christine Shaw.

8 Q And Ms. Shaw also introduced you to Mr. Kenadi
9 and Mr. Shackelford?

10 A That's correct. Well, I believe I had known
11 Mr. Shackelford prior to that.

12 Q How did you come to meet Mr. Shackelford?

13 A As I explained, I'm a consultant for Channel 38
14 in San Francisco, and I believe I met Mr. Shackelford --
15 had met him two or three weeks prior to that.

16 Q Prior to?

17 A Prior to meeting Ms. Shaw.

18 Q That was the first time you had met
19 Mr. Shackelford?

20 A Yes.

21 Q And did Mr. Shackelford have some relationship
22 with Channel 38 because you tied the two together, and I'm
23 not sure I understand the reference.

24 MR. ROOT: Objection, Your Honor. I haven't
25 objected up to now thinking this might go someplace

1. relevant, but I don't see how it's relevant to the testimony
2 of this witness.
3 JUDGE LUTON: Overruled.
4 THE WITNESS: Mr. Shackleford provided
5 engineering services to Channel 38.
6 BY MR. GASTFREUND:
7 Q Provided, meaning when? Can you put a time
8 frame on that?
9 A As far as I know, he still provides those
10 services to them.
11 Q Channel 38 in San Francisco, do you know the
12 call letters of that station?
13 A KWBB.
14 Q And the licensee, do you know that offhand?
15 A West Coast United Broadcasting.
16 Q So I can put the time frame in my mind
17 properly, as I understand your testimony, you first met
18 Mr. Shackleford in late 1985, or am I mistaken?
19 A No. I met Mr. Shackleford in early 1986.
20 Q I see. Now, you knew Mr. Root well before that
21 point; did you not?
22 A Oh, yes.
23 Q Mr. Root, in fact, served as your counsel in
24 another proceeding before the FCC; isn't that true?
25 A That is correct.

1 Q Did Mr. Root telephone you or call you or
2 communicate with you in any other way as to the fact that
3 Ms. Shaw was to be referred to you prior to the time that
4 Ms. Shaw contacted you?

5 A Yes, he did.

6 Q And what was the nature of that conversation?
7 What did he say to you?

8 A He said he had a client that needed some help
9 and that -- he explained briefly what was needed and that
10 she would be calling me.

11 Q Okay. Let's focus in on that help that she
12 needed. Did he explain to you why she needed your help and
13 why he could not provide such help?

14 MR. ROOT: Objection, relevance.

15 JUDGE LUTON: Overruled. Perfectly permissible
16 cross-examination.

17 THE WITNESS: I understood the application
18 process.

19 BY MR. GASTFREUND:

20 Q I'm sorry. I didn't hear you.

21 A I said I understood the application process.
22 He explained to me that he needed the financial projections
23 and needed to make sure that she was financially qualified
24 and that I could assist her in that.

25 Q That's all he said to you?
